Speaking – Both Tiers

The Speaking assessment is made up of **three** tasks.

- The tasks **must** be conducted in the following order:

  Task 1: Role play based on Themes 1 to 4
  Task 2: Picture-based task based on Themes 1 to 5.
  Task 3: Conversation – Part 1 and Part 2 based on 2 themes.

- The total assessment time for **Foundation tier** candidates is between **7 to 9 minutes** and for **Higher tier** between **10 to 12 minutes**.

Speaking – Both Tiers

- Candidates **must** be allowed 12 minutes' prep time before the assessment under supervised conditions to prepare for the **role play** and **picture-based task**.
- The prep time must not to be used to prepare for the conversation (Task 3).
- Candidates can make notes on **Tasks 1** and **Task 2** on A4 sheet. Candidates must not read out prepared sentences in answer to questions.

Speaking – Both Tiers

- Candidates must not write on the stimuli cards and must return these with their notes to the Examiner after completing Task 2 and before starting Task 3.
- Teachers must use the ***Sequencing Grid*** provided by Pearson for the allocation of the role play stimulus card, picture-based stimulus card and the second theme for the conversation.
