Example 3 - Paper 4, Higher Tier: Writing in the Target Language
Question 2(a)/2(b)

- Target Grade: 6-9
- Demand: High
- Register: Formal
- Purpose: to express and justify opinions, thoughts and points of view and to narrate, inform and interest (2(a)) or convince (2(b)).
- The bullet points cover present, past and future timeframes
- Word Count: 130-150 words

Question 2(b)

તમારી ગુજરાતી શાળામાંથી અમદાવાદના પ્રવાસે જવા માગો છો. તમારા શિક્ષકને તે માટેનો પ્રવાસ ગોઠવવાની વિનંતી કરતો એક ઔપચારિક પત્ર લખો.

તમારે નીચેના મુદ્દાઓનો ઉપયોગ કરવો **જરૂરી** છે:

- અમદાવાદના પ્રવાસે જવાનું કારણ
- તમે પહેલાં જે પ્રવાસે ગયા હતા તે વિશે
- શાળામાંથી પ્રવાસોની જરૂરિયાત વિશે
- ભવિષ્યમાં તમે જે જગ્યાની મુલાકાત લેવા માગો છે

તમારે તમારા વિચારો અને અભિપ્રાયોનું સમર્થન કરવું જરૂરી છે.

આશરે **130–150** શબ્દોમાં **ગુજરાતીમાં** લખો.

Sample response:

માનનીય શિક્ષક,

અમારા વર્ગના વિદ્યાર્થીઓ અમદાવાદના પ્રવાસે જવા માગે છે. આવતી રજા દરમિયાન આ પ્રવાસનું આયોજન તમે કરો એવી અમારા બધાની ઇચ્છા છે. ગયા પ્રવાસની જેમ અમે ફરીથી ઠંડા પ્રદેશમાં જવા માગતા નથી કારણ કે અમને ઠંડું વેધર નતી ગમતું. અમે અમદાવાદ જવા માંગીએ છીએ કારણ કે હવામાન સરસ છે. વળી, અમે જે ગુજરાતી ભાષા શીકી છે તેનો ઉપયોગ પણ કરી શકીએ.

ગયા વર્ષની રજામાં હું અને મારા મિત્રો કેમ્પિંગ માટે ગયા હતા. તંબૂમાં રહેવાની ઘણી મજા આવી હતી. કાવાનું અમે લોકોએ જાતે જ બનાવ્યું હતુ. ત્યાં અમે ઘણી પ્રવૃત્તિઓ કરી હતી. ખાસ કરીને ટ્રેકીંગ કરવાનો અનુભવ તો ખૂબ જ સરસ હતો.

શાળામાંથી ગોઠવાતા પ્રવાસો ખૂબ જ જરૂરી છે અને તે આપણી શાળાની પરીક્ષામાં મદદરૂપ થાય છે.

આવતા વરસે મારા પરિવાર સાથે આપણે ચાર અઠવાડિયા માટે અમેરિકા જઈશું. ન્યુ યોર્કમાં મારા કાકા-કાકી રહે છે અને તેમના દિકરાનાં લગ્ન છે. વળી મારા પિતરાઇ ભાઈ-બહેનોને પહેલી વખત મળીને ખૂબ આનંદ થશે. પછી આપણે બધા સાથે ડિઝની વર્લ્ડ તેમજ નાસાનાં આંતરરાષ્ટ્રીય અવકાશ કેન્દ્રની મુલાકાત લેવા પણ જઈશું.

લિ. આપનો/આપની વિશ્વાસુ કનક

Example 3 - Question 2(b) Higher

The response addresses three bullet points with effective development of information relevant to the task. It shows evidence of slightly misunderstanding the third bullet point and develops the response ambiguously. It is placed in the (9-12) band for Communication and Content.

In terms of Linguistic Knowledge and Accuracy, the response uses a wide variety of grammatical structures, including complex language. Any errors do not hinder the clarity of communication. It is placed in the (10-12) band.

The traits of the response correspond to the descriptors in each band as follows:

Communication and Content

9-12	• Communicates detailed information relevant to the task, with mostly effective development of key points and ideas • Mostly effective adaptation of language, to narrate, inform, interest/convince • Creative use of language to express a range of individual thoughts, ideas and points of view, most of which are justified; variety of vocabulary and expression, frequent examples of uncommon language • Predominantly appropriate use of register and style

The response communicates information relevant to the task consistently in three out of the four bullet points. The development of ideas is mostly, rather than entirely effective, as the consistency is interrupted by the slightly off-topic development of the third bullet point and its abrupt undeveloped conclusion.

Adaptation of language is appropriate to the purpose of persuading as well as informing and narrating, with examples that substantiate the writer's position. For example, the reasons why a trip to "**અમદાવાદ**" is preferable to the customary "**ઠંડો પ્રદેશ**".

The response makes creative use of language, through examples that contain humour, personal opinion and emotion. The development of ideas goes beyond the expected standard response and is marked by individual thought and originality. (**ન્યુ યોર્કમાં મારા કાકા-કાકી રહે છે અને તેમના દિકરાનાં લગ્ન છે. વળી મારા પિતરાઇ ભાઇ-બહેનોને પહેલી વખત મળીને ખૂબ આનંદ થશે.**)

The correct register is maintained with occasional slips eg. Exclusive and Inclusive words incorrectly used ("**આપણે** is used instead of **હું/અમે**").

Recommended mark: 12

Linguistic Knowledge and Accuracy

10-12	• Uses a wide variety of grammatical structures, including complex language • Fluent response throughout with extended, well-linked sentences • Consistently accurate language and structures, consistently successful references to past, present and

The response uses a wide variety of structures, including complex language. For example, extended sentences and subordinate clauses ("ગયા પ્રવાસની **જેમ**.... અમે ફરીથી.... જવા માગતા નથી **કારણ કે**.... નથી ગમતું and **કારણ કે** હવામાન સરસ છે. **વળી,** અમે **જે** ગુજરાતી ભાષા શીખી છે **તેનો** ઉપયોગ પણ કરી શકીએ"); and a range of vocabulary used correctly in phrases ("**પ્રવાસો ખૂબ જ જરૂરી છે અને તે આપણી શાળાની પરીક્ષામાં મદદરૂપ થાય છે.**")

The piece is fairly fluent and coherent. Conjunctions provide good linkage and explanations are developed smoothly.

References to past, present and future events are consistently well constructed with isolated slips that do not hinder clarity. Spelling and grammatical errors do not have an impact on clarity (e.g. "**નતી**", "**શીકી, ખાવાનું**"). Couple of transliterate words have been used (eg. "**વેધર, કેમ્પિંગ**")

However, because the response failed to develop the fourth bullet point unambiguously, it cannot earn point from the top tier of this band.

Recommended mark: 10

Annual Report for 2024-2025

Sunday 20th July 2025

The last BGM of Consortium of Gujarati Schools was held on 19th May 2024, when a new committee was elected with Jayantbhai Tanna as Chair and Vijyaben Bhanderi as the Secretary.

During the last year, CGS has organised several Committee meetings via zoom to discuss various matters. CGS has also run one day courses at Wembley and Leicester and twelve A Level Gujarati support sessions.

1) CGS Committee and membership

In order to make CGS more participatory nationally, we decided to have two Vice Chairs, representing members from the Midlands and the Northwest in particular. This has worked exceedingly well as we have held parallel training sessions in London and Leicester. There is a greater sense of participation and commitment to Gujarati.

Chair: Jayantbhai Tanna; Vice Chair Midlands Shobhaben Joshi; Vice Chair Northwest Chetanaben Bhatt-Shah; Secretary Vijyaben Bhanderi; Treasurer Rekhaben Patel (Kenton); Imm Past Chair Sonalben Shah.

Committee Members – Dipaben Chhatralia; Hasvinaben Shah; Rekhaben Patel (Kingston); Jatinbhai Shah; Prafulaben Shah; Ritaben Kamdar; Ritaben Patel; Tusharbhai Shah and Veljibhai Vekaria

Our Rules allow us two kinds of membership. All the organisations running Gujarati schools become Organisation Members @£25 per school. Three main officers from each organisation would become CGS voting members advising the committee on the training needs and support. All teachers and others may become Individual members @£10 per teacher. They would also be voting members who would participate in training and make suggestions on their training and support needs. Both these memberships run for two years. The current year is 2024-2026.

Since the last BGM, we have 83 Individual Members. We also have 14 Organisation Members:

BAPS Neasden; Shishukunj Harrow; Shishukunj Mill Hill; Mandhata Y&C; Alperton High School; Oshwal North; Oshwal Northwest; Oshwal South; Veda Mandir Bolton; Pandav Vidya Shala; SKSS Temple Willesden; SKSS Temple East London; SKLP Saturday School and Milton Keynes Hindu Association.

We hope that Gujarati schools from Leicester and other areas will also become our Organisation Members soon.

2) CGS Membership and School Information Forms

We sent out 'School Information Forms' to all schools and received returns from only a few. We would like returns from all schools, including those in the Midlands and Northwest in order to get a clear picture

of the current number of schools and students learning Gujarati in the UK. and number of entries for GCSE and A Level examinations.

Both Membership and School Information Forms for 2024-26 will be sent out again in September 2025. We hope organisations realise the importance of this information. Please also send Organisational Membership subscription if not sent already, together with the completed School information forms.

3) Committee and course planning Meetings

Since the BGM on 19th May 2024, we have had eleven (11) Executive Committee meetings. All meetings have been held on Zoom; a service provided without charge by our Chair. Most of the meetings are well attended where members attend regularly and punctually although we do have some notable exceptions. Meeting notes are taken in detail and agreed at all meetings. All documents are presented to members in advance. Matters are discussed and debated and decisions made through active participation by all present.

4) Course for Gujarati teachers held on 21st July 2024 in Wembley

A training course for Gujarati teachers focusing on **Planning, Assessing and Speaking** was held on **21st July 2024 at Sanatan Hindu Mandir, Wembley.**

Thirty-One (31) teachers from a range of Gujarati schools attended the course. The course was led by Jayantibhai Tanna with contributions from Vijyaben Bhanderi, Rekhaben Patel and Ritaben Kamdar.

The course focused on what makes a lesson effective and how teachers would be able to know what and how much the pupils had learned in the lesson. The second part focused on improving teachers' skills in assessing the quality of students' Gujarati Speaking skills.

The feedback from the teachers was very positive as outlined below.

Training Quality	Strongly agree	Agree	Neutral	Disagree	Strongly disagree
The overall quality of the training was high	13	12	0	0	0
This training will benefit me in my teaching	9	16	0	0	0

What was good
The teachers liked the excellent, easy to follow booklet. They found the content and suggested ideas were excellent. The ideas about sharing objectives, a 3-part lesson, learning styles and PALM+A in Picture tasks were what many teachers would implement in their own lessons.
It was very well organised with excellent videos and recordings of Gujarati conversation ideas and suggestions to improve pupils' confidence and spontaneity in Speaking. Tests. Videos of classroom teaching very useful. Venue Food Excellent; Good food, good venue; Good venue, good food but too many varieties! Just couple of items would suffice; venue good area, Food very good.

What was not so good
There were no primary school videos because the VHS tapes could not be accessed. There were no vide os of Gujarati lessons as these were not available and have not been made in the UK so far! It would be easier to hear if a sound system were used. The parking for the day was too expensive!

Suggestions for courses in the future
More focus needed on how to teach younger students, especially grammar. Need a session on improving Reading and Writing skills; More support on teaching the Environment theme at GCSE; Arrange visiting lessons of more skilled teachers; Exchange of ideas on use of resources, Sharing good practice; Feedback and news from GCSE exam board; ideas on course/Workshop for parents.

5) Training course for Gujarati teachers held on 8th September 2024 at Leicester

A training course for Gujarati teachers focusing on **Planning, Assessing and Speaking** was held on 8th September 2024 **at Jalaram Community Centre, Leicester**.

Twenty-Nine (29) teachers from a range of Gujarati schools in Leicester and Bolton attended the course. The course was led by Jayantibhai Tanna with contributions from Rekhaben Patel and Ritaben Kamdar.

The course focused on what makes a lesson effective and how teachers would be able to know what and how much the pupils had learned in the lesson. The second part focused on improving teachers' skills in assessing the quality of students' Gujarati Speaking skills.

Training Quality	Strongly agree	Agree	Neutral	Disagree	Strongly Disagree
The quality of training was high	12	9	0	0	0
The training will help my teaching	14	7	0	0	0

What was good
Planning and Assessment power points and videos very good; How to plan a lesson to make it interesting; Presentations and explanations were easily understood; Discussion on learning styles; Involving whole class; Big Books reading; Use of White boards for spellings and reading; Techniques of getting children involved; Speaking presentation by Rekhaben and Ritaben were very good; GCSE Speaking session very useful; Candidate conversation recording and follow up discussion very useful; Expanded our knowledge and skills, teaching techniques; Training was very good, running according to the programme, no time wasted; Very good information was shared; Good opportunities to share views of other teachers; Picked up many points useful for our school from the course; Booklet was very good; food was delicious!

What was not so good
Most of the discussion and presentation was in English; Could have shown more resources, books to use; Hissing noise from microphone made hearing speakers difficult at times.

Suggestions for courses in the future
How to make Gujarati community aware of the trend of our language going down; How to use online resources, Smart Board; Gujarati videos storytelling, singing, teaching vowels etc; Gujarati teaching videos; Display teaching materials and resources; Improving pupils' discipline.

6) A Level Gujarati Zoom support sessions – 1hour 30 minute – October 2024 to 4th April 2025

We organised twelve A Level Gujarati support sessions on Zoom for Gujarati teachers to help them improve their understanding of the course demands and run A Level Gujarati classes in the future. The aims of the course were to:

- gain knowledge and understanding of Gujarati at a higher level
- offer deeper and varied learning opportunities to their students.
- inspire Gujarati students to opt for 'A' Level Gujarati in the future.
- gain opportunities for employment in areas that need your skills in translating and interpreting from or into Gujarati.

The course was led and delivered by our Vice Chair and renowned Gujarati leader Mrs Shobhaben Joshi from Leicester.

12 teachers from different areas enrolled on the course. They found the course interesting are enjoyable. The sessions were eye-openers for them, as they had only a limited knowledge of the structure and requirements of the A level course. Six teachers sat the A Level Gujarati examinations in June 2025. Four teachers from Leicester entered through Alpha Tutorial Centre who charged £150 Centre fees each. We managed to get some donations to cover these additional expenses. The two London candidates entered through BAPS in Neasden. **All six teachers who sat the A Level Gujarati obtained A* grades! We congratulate all six of them and we will be celebrating their success and awarding them special trophies!**

We hope these teachers will now be able to use their knowledge and expertise to motivate their students and other teachers to prepare for A Level Gujarati in the future. I would like to thank and commend Shobhaben for delivering the course voluntarily with such passion, commitment and skill. I would also like to thank Chandrakant bhai Mehta (Brighton), Dr. Amritbhai Shah, Vandanaben Joshi and Rameshbhai Odedra for their generous donations.

7) Examination Centre difficulties

Over the years, many parents of Gujarati students have experienced a lot of problems in getting schools to enter their children entered for GCSE and A Level Gujarati examinations. Most mainstream schools are unwilling to take on the extra administrative responsibility of administering GCSE and A Level examinations. They also have to find good quality Gujarati teacher examiners for the GCSE Speaking examinations. It would also be true to say that apart from BAPS Neasden, most of our own community examination centres are also not very helpful in this area.

In order to try and get one of our own centres, CGS and Sangat Advisory Centre applied for validation to Pearson Edexcel Examination Board but were refused as we did not have a safe and secure room that could be a permanent examination office throughout the year! We will now be approaching local authorities and request them for suitable Council accommodation that could be converted to an exam office.

8) Financial report

This year, we are in a balanced financial position as we have managed to run 3 courses and recruited a good number of Individual Members. We have also managed to get some donations. Our income from courses, donations and membership has enabled us to pay for our expenses like venue and lunch costs for our courses. The most recent finance report indicates we had an income of £3505; Expenditure of £2130; a current surplus of £1375. The current balance at the bank is £4220.

9) Appreciation

I would like to take this opportunity of thanking all my committee members who have worked so hard to arrange courses and meetings. Shobhaben as Vice Chair and course leader, Vijyaben as Secretary and Rekhaben as Treasurer have always been at my beck and call, helping me all the way. Rekhaben Patel and Ritaben Kamdar have spent hours preparing courses. And members of the committee have taken organisational tasks for training sessions willingly and with dedication. And of course, all the Individual and Organisation members and donors who have given us such wonderful support. Thank you all!

Assessment criteria Question

3(a)/3(b) Foundation & Crossover Question 1(a)/1(b) Higher

Question 3(a) F & Crossover Question 1(a) H - (20 marks)

This question contains four bullet points that form part of the task. Failure to cover all four bullet points will impact on the marks that can be awarded against the requirements of the two-mark grids for this question (see below). There is no requirement for even coverage of the bullet points in any band. However, in order to access marks in the top band, students must refer to all bullet points and meet the other assessment criteria in the top band.

The student is expected to produce 80–90 words for this task. The number of words is approximate and students will not be penalised for writing more or fewer words than recommended in the word count. All work produced by the student must be marked.

Communication and content mark grid

Mark	Descriptor
0	No rewardable material
1–3	• Communicates brief information relevant to the task with little development • Limited adaptation of language to narrate, inform and interest; straightforward personal opinions are given with limited justification • Expresses straightforward thoughts and ideas; uses common, familiar language with repetition • Variable use of appropriate register and style
4–6	• Communicates information relevant to the task, with development of the occasional key point and idea • Some effective adaptation of language to narrate and inform; attempts are made to interest and give convincing personal opinions which are occasionally successful • Expresses mainly straightforward thoughts and ideas with the occasional individual thought/idea; some different examples of common, familiar language • Appropriate use of register and style is evident but with inconsistencies
7–9	• Communicates information relevant to the task, with development of some key points and ideas • Mostly effective adaptation of language to narrate and inform, some effective language to interest and give convincing personal opinions • Some examples of creative language use to express individual thoughts and ideas; a variety of mainly common, familiar language with the occasional example of uncommon language • Appropriate use of register and style is evident but with occasional inconsistency
10–12	• Communicates information relevant to the task with expansion of key points and ideas • Effective adaptation of language to narrate, inform, interest and give convincing personal opinions • Frequent examples of creative language use to express individual thoughts and ideas; a variety of vocabulary and expression, some examples of uncommon language • Appropriate use of register and style throughout, with minimal inconsistency
