South Area Oshwal Gujarati & Cultural School

ગુજરાતી શાળા

We have listened to the views and opinions of parents & children and now started the process to reform the School.

- Emphasis on Speaking, Listening, Cultural & Personal Development
- Shortened Lesson Times
- Making the Lessons Fun & Engaging

The reformed school will begin from September 2018 and our aim is to make the school more appropriate to the aspirations of today's parents and children.

We are presenting our vision of the new school on 30th June 2018 at a meeting to be held at Harris Academy (Kendra Hall Road, Surrey. CR2 6DT) from 12.00noon to 1.00pm. We invite all parents with young children to come and hear about our exciting plans.

Learning of our mother tongue provides a valuable educational, social and cultural experience for our children. It will help them to develop communication skills of speaking and listening and more importantly, learning Gujarati will give children a new perspective and encourage them to understand their own culture.

Management reserves the right to refuse admission and to make any changes to the event due to unforeseen circumstances.
